### **Working Group Reports:**

- **License / Legal** - Mike

- Contributor Terms base English version complete

- French and Italian versions of Contributor Terms drafted but review not complete, these are needed under laws of those countries.

- Technical - dual licensing set-up is being tested.

- Clark Asay, our legal counsel, is leaving Wilson

Sonsini.

He has been very helpful and responsive during the license change process. Mike proposed a vote of thanks for all he has done for us and this was carried unanimously.

- We are setting up a process for dealing with email enquiries about the license from, mostly, commercial users.

- **Treasurer** - Andy

Reserves are currently £31,332 which includes signups to date for SOTM10. Approximately £25k is in euros in the paypal account.

Invoicing and payments for various SOTM actions to be completed during the next fortnight.

- **SOTM 2010** - Henk

- 43 sign ups so far
- Early bird ending this wednesday
- 5 sponsors so far worth 12.500 euro (Ericsson, LogiBall, U-Blox, IGN, Cenatic)
- Hospitality sponsors: Spanish Railways are offering a 30% ticket discount, local tourism board will host a tourist walk through the town.

Henk - List key venue liabilities so that the board is aware of what they are

- **Local Chapters:** Henk

New requirements/guidelines document generated by potential local chapters, since

the current draft chapters agreement has effectively collapsed:

<http://docs.google.com/a/osmfoundation.org/Doc?docid=0AfNHfrLyQke9ZGQ4bmdzY2NfMTFmNTg4NzVjNw&hl=en>

Two open issues for further discussion: OpenStreetMap master editing database (only) should be global/central ... not any easy one to define without being unnecessarily restrictive; local chapters should be careful when discussing the database license not to be formally legally representing OSMF on license issues.

(19:15 - 19:30 break)

- **Technical** - Steve
- **Data** - Mikel

no meeting this month. a few issues handled over email will be organizing session at SOTM to communicate entire process of data problem handling, WG and community, and to broaden potential participation in WG (ie add moderators)

- **Articles** - Andy - Leave till next month
- **Membership** - Mike

Current paid-up membership is 279.

7 new sign-ups in the last month. Does not include any SOTM10 sign-ups.  
43 unrenewed expiries during 2009.  
25 unrenewed subscriptions so far during 2010 ... most

very recent, SOTM2009  
early-bird sign-ups.  
Renewal emails have now  
been sent to all using a  
prototype membership  
management system.

### **Omidyar**

Steve and Mikel have met  
with Steven King. He did not  
present our case yet  
internally as he needs more  
on priorities and costing ...  
which is part of what as  
volunteers we need help with  
defining and generating. We  
should at least make our  
priorities, and then explain  
that out again. Stephen would  
like to hold a call next week.

### **AOB**

- New OSMF Logo

Ian Dees is organising  
software to do a member  
vote.

- OSI (Mikel)

We need to set a time to  
work through the proposal  
(links below), another call  
like Steve and Mikel had last  
week would be good. Also,  
SOTM scholarships will get  
sorted soon - we need to  
organise a procedure for  
paying for air-tickets, Borjan  
will coordinate the bookings.

- GroundTruth disclosure (Mikel)

Mikel disclosed that he and a partner have incorporated GroundTruth as a new US LLC to do Map Kibera like work.

- GPSToGo fundraiser

We will try talking to Garmin again.

Mikel - GPSToGo - Ask GroundSpeak who their Garmin contact is.

- mailing list closed admin (Steve)

An osm-professional list has been set up as a closed moderated mailing list. This is probably the only moderated list we have. We discussed whether we should have policy on closed lists and moderated lists. We resolved that lists should be unmoderated and if there is abuse someone in the Foundation unconnected other than the list administrator and directly involved parties. The general disputes page <http://wiki.openstreetmap.org/wiki/Disputes> should apply as appropriate.

Mike - Communicate with list owner and liaise with Tom as overall administrator.

- SOTM 2010 Board and AGM

We need to resolve timing of Board Meeting and AGM at a future meeting.
