

Fédération des pros d'OSM

Presentation to the OSMF

Julien Coupey

April 28th 2022

Contents

Rationale

Goals

Association

Code of conduct

History

- ▶ Informal SotM France 2016 session “Professionnels d’OpenStreetMap, unissons-nous !”
- ▶ OSM-related work is a day job for some members of the french community
- ▶ Informal network with gatherings at various SotM
- ▶ Existing collaborations on a per-project basis

Making of

- ▶ Monthly online meetup for around one year now
- ▶ 2021/10/11 in-person meeting in Paris
- ▶ In the last few months, working on the Statutes of the Association
- ▶ 2022/04/29 constituent general meeting

Goals

- ▶ Promote OSM
- ▶ Unite to be stronger for lobbying activities
- ▶ Find new business opportunities
- ▶ Boost collaboration between members
- ▶ Take advantage of the complementary expertise of members
- ▶ Step in for actions that the non-profit French local chapter can't handle

Relation to the OSMF

- ▶ We want to be a constructive player in the OSM ecosystem

Relation to the OSMF

- ▶ We want to be a constructive player in the OSM ecosystem
- ▶ We need to use the OpenStreetMap trademark

Relation to the OSMF

- ▶ We want to be a constructive player in the OSM ecosystem
- ▶ We need to use the OpenStreetMap trademark
- ▶ We don't seek endorsement from the OSMF

Relation to the OSMF

- ▶ We want to be a constructive player in the OSM ecosystem
- ▶ We need to use the OpenStreetMap trademark
- ▶ We don't seek endorsement from the OSMF
- ▶ Discussing the best options with Guillaume :
 - ▶ ~~local chapter~~

Relation to the OSMF

- ▶ We want to be a constructive player in the OSM ecosystem
- ▶ We need to use the OpenStreetMap trademark
- ▶ We don't seek endorsement from the OSMF
- ▶ Discussing the best options with Guillaume :
 - ▶ ~~local chapter~~
 - ▶ ~~the OSMF hosts a professional association~~

Relation to the OSMF

- ▶ We want to be a constructive player in the OSM ecosystem
- ▶ We need to use the OpenStreetMap trademark
- ▶ We don't seek endorsement from the OSMF
- ▶ Discussing the best options with Guillaume :
 - ▶ ~~local chapter~~
 - ▶ ~~the OSMF hosts a professional association~~
 - ▶ we create our own association that becomes an OSMF corporate member
