Kópavogur, August 9th 2014

Allow me to congratulate the OSMF on the 10th birthday of OpenStreetMap today – a fantastic feat for a community driven project.

I am chairman of Hliðskjálf, a society for open and free geographic information data founded in October 24th 2013 in Iceland. It is my great pleasure to submit formally our application to become a Local Chapter of the OSMF.

Alongside this document is our version of the Local Chapters Agreement where we have entered our relevant information in sections 1, 3 and 4.

We are requesting to become the Local Chapter in Iceland and to use „OpenStreetMap á Íslandi“ (OpenStreetMap in Iceland) as our working title for any OSM related work.

We will be happy to answer any questions and provide any credentials necessary.

*With best regards,*
